

9-11 FEBRUARY • 2018

MALMÖSKYTARNÄ

Sport shooting is performed mainly by physical disabled shooting with or without stabilization support. For visually impaired there is a specific event called electron shooting where the athlete can point using the hearing.

Registrare your team at Malmo Open website.

<http://reg.cupmanager.net/13973791,14355275,en/j/public/reg>
