# VI SKYTING

- VI Shooting (SH3) blir nå en del av World Shooting Para Sport (WSPS) og den Internasjonale Paralympiske Komitè (IPC)
- 1. offisielle World Cup arrangeres i Frankrike senere i år.
- Norge har allerede 2 skyttere blant de 8 beste i verden i øvelsen 60 skudd liggende

# VI SKYTTERE I NORGE

- Organiserer skyting for blinde og svaksynte skyttere i Norge
- VI Skyting kommer av navnet «Visually Impaired Shooting» (**VI shooting**)
- SH3 er klassebetegnelsen for VI skyting i Norge.
- VI skyting er foreløpig kun tilrettelagt for luftrifle (og luftpistol) på 10 meter.
- Vestre Bærum Salongskytterlag (VBS) har størst erfaring på området i Norge

**VI – shooting  
shooting for  
visually impaired and blind people
