## 11. ARRIVAL IN CYPRUS – AIRLINES - AIRPORTS

Arrival in Cyprus can be made through the two official International airports in **Larnaka** and **Paphos, ONLY**. Larnaka International airport which is the main airport in Cyprus, offers excellent travel connections with the entire world. Many airlines like British Airways, Lufthansa, Aeroflot, S7, Cyprus Airways, Austrian, Aegean, LOT, Qatar, Emirates and COBALT hold regular flights to and from Larnaka airport. Flights are also operated from and to Larnaka and Paphos International airports by a big number of other Airlines (mainly low-cost airlines).

IMPORTANT: The “airport” of Tymbou (so-called “ERCAN” ECN, LCEN) is an illegally operating airport situated in the occupied part of the Republic of Cyprus. The Government of Cyprus, as the sole competent authority to designate airports in Cyprus that are open to international air traffic has not requested the International Civil Aviation Organisation (ICAO) to include so-called “Ercan” in the ICAO Regional Air Navigation Plan. This illegal “airport” is therefore non-existent in the eyes of international law and practice and its potential use amounts to an illegal entry into and exit from the Republic of Cyprus.

## 12. ENTRY VISAS INTO CYPRUS

Cyprus is a full member of the European Union and some nations require visas to enter into Cyprus.

Important Note: **Cyprus is NOT an active Schengen Visa member. Schengen Visas are acceptable provided they have been activated in another European country before arrival in Cyprus.**

We strongly advise all non-European Union participants to verify well in advance whether they need a visa for entry into Cyprus. The visas must be obtained from a Cyprus Embassy or Consulate abroad prior to arrival. The Organizing Committee will be ready to supply the participants applying for a visa, with any necessary additional supporting documentation.

Detailed information regarding visas and formalities for entry into Cyprus can be found in the website of the Cyprus Ministry of Foreign Affairs, **[www.mfa.gov.cy](http://www.mfa.gov.cy)**, at the **“consular information”** and **“travel information for foreign visitors”** subsections.

### **13. IMPORT OF SHOTGUNS - CUSTOM CLEARANCE**

All athletes, NOT holding an 'European Shotgun Certificate' are requested upon arrival at Larnaka or Paphos airports, to present to customs (Red Channel) the completed official Cyprus Grand Prix shotgun and ammunition form, in order to obtain a temporary shotgun, import permit which is valid for one month.

No other documentation or certification is necessary prior to arrival in Cyprus.

European Union nationals holding an 'European Shotgun Certificate' are required to check their shotguns through customs (Red Channel) also and verify the serial numbers of their weapons, only.

IMPORTANT: The gun import permits issued at the time of arrival or the 'European Shotgun Certificates' must be represented to customs at the time of departure.

### **14. SHOTGUN CARTRIDGES**

The custom authorities will allow all participating athletes to import with them all the necessary cartridges that will be used for the competition. Local made (VICTORY, OLYMPIA) and other internationally-known cartridges (RC, FIOCCHI, B&P, CLEVER, GAMEBORE) will be available for sale at the shooting range at approximately €5.00 - €10.00 per box of 25.

### **15. STORAGE OF GUNS AND AMMUNITION**

Storage of guns and ammunition will NOT be available at the range. The police authorities permit all athletes possessing a valid temporary import shotgun permit or an 'European Shotgun Certificate', to store freely their weapons and ammunition in their hotel rooms, during their stay in Cyprus.

### **16. LOCAL TRANSPORT**

Participating athletes **will be responsible for their own local transport**. If any athlete or team requires any assistance for local transport arrangements, can contact the Organizing Committee.

### **17. WEATHER INFORMATION**

During the period of February, the weather in Cyprus is normally pleasant, with light rain and spells of sunshine.
