CUSTOM REQUIREMENTS (firearm import permit)

Owners of European firearms passport may import their weapons and ammunitions without an auxiliary permission to Italy.

All extra EU nations shooters carrying firearms (minors aged under 18 are not allowed to carry firearms according to the Italian law) have to send FITAV (internazionale@fitav.it) the list of firearms (detailing brand, model, serial number and spare parts, if any) and the relevant owner/carrier. The firearm import permit sent by FITAV must be printed and shown to the Customs authorities at the arrival airport in Italy.

Applications for firearm permits must be received within **June 25th** in order to allow the delivery on time.

Representatives traveling by car shall have to show this form to the authorities at the Italian borders.

Shotgun ammunition will be available for purchase directly at the shooting range at a special reasonable price.

VISA

All national representatives needing an entry Visa by the Italian Embassy in order to enter Italy should apply for it through their belonging Federation within and not later than **May 15th 2023**, addressing an official application on headed paper to **FITAV** (internazionale@fitav.it).

The request must be addressed to FITAV and should contain the full list of the members of the representative (shooters, coaches, officials, etc.) indicating the following mandatory info: full name, date of birth, passport number and expiry date), destination, reason of the trip, the competition venue, temporary address in Italy (hotel, private address, etc.) and who will be responsible **for medical and insurance expenses**.

ARMOURY

During your stay in Italy all the guns must be stored in the hotel when the shooters are not at the shooting range.

All the firearms must imperatively be left in the Armoury during the pauses of training and competition sessions.

RULES

The competition and the equipment controls will be conducted according to **ISSF** rules.
