ISSF President, Mr. Luciano Rossi

Dear Mr. President

With reference to the IOC-statement of a March 28, we kindly request ISSF to make the decision of not allowing for any athletes or leaders from Russia or Belarus to attend ISSF-competitions.

The Nordic countries stand together and want ISSF to inform the IOC that ISSF does not want participation from Russia and Belarus in international competitions. This decision will stand until Russia withdraws from Ukraine and ends the repeated human rights violations.

On behalf of Nordic Shooting Region.
